M.E. CHURCH, SOUTH, NOTES.

Our pastor, Bro. Clendening and
wife were at Lebanon last Sunday.
Preaching morning and night.
They have a nice Sunday School,
but more of the families ought to
be there.

Rev. W. H. Healer was in our
city Monday afternoon on his way
home from holding his quarterly
meetings, and he did not have a
dry time either.

Sunday School was fairly at-
tended last Sunday, but there
should have been more there. Come
out next Sunday. There will be
preaching Sunday morning and
night. Our pastor will talk to the
children in the morning and they
will sing for us. Come and bring
your children and enjoy the ser-
vice with us. Fill up the meeting
house, take up the standing room.
Let's give the children a boom.

Take the children, train them well
in the way that they should go;
Christian training, it will tell,
it would be useless if not so.

In the early hours of life
Store the mind with useful things;
Climb the ladder to its height,
To the world a blessing bring.
